

1 control panel	41 pressing sheeet tightening ring	81 small swaying arm
2 rear housing	42 screw	82 auxiliary pinch shaft ring
3 hopper barrier chip	43 magic eye support	83 swaying arm spring
4 hopper barrier chip	44 magic eye chassis	84 screw
5 hopper square	45 auxiliary axle	85 spring support
6 hopper bar	46 auxiliary wheel (rubber)	86 transmission dear 20T (inner hole 12
7 hopper	47 shaft for auxiliary pressing pulley	87 transition gear shaft
8 chassis rubber feet	48 auxiliary pressing pulley (rubber)	88 transition gear 12T
9 chassis	49 heating block mandrel	89 gear 28T assembly
10 front housing	50 ink roller shaft	90 collector ring assembly
11 front housing block	51 printing axle	91 carbon brush assembly
12 table bracket	52 heating-block back barrier	92 gear 22T
13 working table	53 ink roller	93 eccentric cover gasket
14 adjustable screw B for sheet	54 ink roller core	94 ink roller eccentric cover
15 external sheet	55 ink roller heating-block	95 transmission dear 20T (bore 10)
16 adjustable screw A for sheet	56 front baffle plate for heating-block	96 large swaying arm gasket
17 internal sheet	57 printing core wheel	97 large swaying arm shaft
18 angle iron	58 printing wheel assembly	98 large swaying arm
19 barrier ship	59 printing wheel tightening ring	99 synchronous belt (70XL)
20 case	60 impressing wheel shaft	100 clutch with wheel 21T
21 driven axle	61 green O-type belt	101 clutch assembly
22 driven axle cover	62 impressing wheel (rubber)	102 sychronous belt wheel 20T+15T
23 circlip for shaft/external circlip	63 circlip for shaft/external circlip	103 synchronous belt (90XL)
24 bearing	64 shaft for outfeed wheel	104 synchronous stepped pulley
25 driven gear rubber gasket	65 outfeed wheel (rubber)	105 wheel of motor belt
26 O-type belt	66 swaying head of outfeed impressing wheel	106 synchronous belt (150XL)
27 rear driven gear shell	67 swaying assembly of oufeed impresing wheel	107 gear 78T
28 front driven gear shell	68 oufeed impresing wheel assembly	108 O-type belt
29 convoyer	69 imprinting adjustable stop spring	109 reversing O-type beltwheel
30 drving axle	70 imprinting adjustable screw	110 gear 15T
31 bearing	71 bearing	
32 circlip for shaft/external circlip	72 worm adjustable handwheel	
33 convoyer driving wheel	73 worm adjustable bar	
34 one-way bearing	74 motor	
35 reversing axle	75 worm support	
36 reversing core wheel	76 worm pressure spring	
37 reversing rubber gasket	77 reversing wheel eccentric cover	
38 support bar for pressing sheeet	78 adjusting gear 36T	
39 pressing sheeet	79 small swaying arm gasket	
40 pressing sheeet spring	80 small swaying arm shaft
